

Compression Pant Size Guide

Please select your height and weight on the chart below. The point in which the two intersect will give you your size. If you land in between sizes and you prefer a tighter compression size down.

ELITE Tech Pant Sizing: Size up when in-between sizes, elites run tighter than our standard tech pant compression.

Figure shown wearing size MEDIUM Compression Tech Pant

Waist:32

Height:6'0

Weight : 185 lbs

This sizing chart is approximate. For more detailed information, please see garment specifications or contact a customer service representative.
